Dear Parents,

Greetings from DBX, Tpt. As our children start their summer break, we wish them a refreshing Summer holidays with family and friends. It is about making lots of great memories including keeping in touch with what they learnt. So we are offering these guidelines and assignments to keep a connection going with their academics while they are relaxing and having fun. A little bit of structure during the time off will help them greatly when returning to the demands of the academic year.

Wishing all of you a memorable time together.

Fr. M. Amalan Raj. SDB

PRINCIPAL

GRADE: III – HOLIDAY ASSIGNMENT
